

The background is a vibrant, abstract collage. It features a large, stylized eye in the upper left quadrant, rendered in shades of blue, green, and black. To the right of the eye is a large, bright orange shape. Below the eye are several stylized, elongated shapes in green and blue, some with black outlines, resembling leaves or abstract figures. The overall texture is rough and painterly, with visible brushstrokes and a mix of colors including red, orange, green, blue, and black.

An abstract background featuring bold, thick black outlines that divide the space into various shapes. The colors used are vibrant: a large red section in the center, a teal section on the right, a green section on the left, and a dark blue/black section at the top left. There are also some smaller black circles and dots scattered throughout. The overall style is reminiscent of mid-century modern abstract art.

An abstract, vibrant background featuring a mix of colors including red, green, blue, and orange. The texture appears to be that of a rough, painted surface. A central element is a dark, rectangular shape with horizontal lines, resembling a door handle or a piece of wood. Above this shape is a small, white, stylized number '9'. The overall composition is dynamic and artistic.
